

Attention Soccer Associations and Town Recreation Departments

We would like to introduce you to a program developed by Elks nationwide that can supplement your soccer program at no cost to you in extra money nor extra volunteers. The local Elks will supply both. We call it the Elks Soccer Shoot (see photos below). It involves having each player taking 15 shoots at a goal divided into scoring sections. At your request we can send you a copy of the full rules and description.

This can be set up for your group at a time most convenient for you. "We hold most of our soccer shoots outdoors but it can be held indoors also." We find that it works great during your sign up day or days for your program. It provides an entertaining type of skill competition that the players love. We have 4 categories U-8, U-10, U-12, and U-14. We invite you to visit the website njelks.org and click on soccer for some additional views.

The winners of the local competition then are invited to compete in a district competition, then a state competition and finally the Mid-Atlantic Elks Soccer Shoot that includes players from seven states. Trophies are provided to the winners at each level. At the Mid-Atlantic Elks Shoot the whole family is invited to attend with lodging, meals, trophies and warm ups for the state champions at no cost to the families.

PLEASE CONTACT YOUR LOCAL ELKS LISTED BELOW TO MAKE THIS OPPORTUNITY AVAILABLE TO THE YOUTH OF YOUR TOWN
